Dear Wynwood Neighbors,

We at Innerride Fitness and Veza Sur Brewery are very excited to share with you that we are teaming together for one night only to host a Spin-A-Thon fundraiser and invite you to join in by organizing a staff ride squad. Proceeds raised will go to Glam-A-Thon; a super cool social fundraising organization dedicated to help fund payment of preventive testing for breast cancer and costs associated with breast cancer treatments for South Floridian women without money or insurance.

Breast Cancer is not just an October Thang! It's a daily battle for the 266,120 US citizens who were diagnosed with invasive breast cancer last year and the other 63,960 individuals diagnosed with non-invasive forms of the disease.

For a \$180.00 donation, you can sponsor a 3-hour Spin for your team! Your donation will not only go to help fight against Breast Cancer, but will also provide your staff with a great team building activity and networking opportunity.

CAN WE COUNT ON YOU TO HELP US ACHIEVE OUR FUNDRAISING GOAL OF A MINIMUM OF \$2500????

If so please, register your team here with names of all participants along with a credit card payment your \$180.00 donation.
